## 'WAIROA STAR' PROMOTES APPEAL FOR NORTH CLYDE KINDERGARTEN

The lending by a newspaper of its facilities to promote an appeal for fund raising is a rare occurrence, only agreed to when there is a great need or a state of emergency exists.

The Directors of the Wairoa Star Ltd., in giving their consent to the newspaper conducting such on behalf of the North Clyde Free Kindergarten Establishment Committee qualifies that this appeal contains these elements.

The need lies in the fact that there are many children within our community who, because of lack of suitable accommodation, are being denied the benefits of pre-school education. The emergency arises through the need of this committee to raise \$4000 by the end of November to enable it to qualify in March of next year for a Government subsidy of two-p-one, available for the rection of such pre-school buildings.

Should the committee fail to raise this amount in the required time the application for the subsidy will be required to wait until March of 1973.

That the committee has been given an assurance the subsidy will be available next March if the community meets its obligation should be the spur to ensure that this is accomplished. The amount, spread over the whole community, is one which should not be difficult to realise.

There are many ways a committee may go about fund raising for a project of this nature but these all take time and some, to many people, do not appeal as being the most appropriate for such as the erection of an educational establishment which will serve not only the children of today but also the many hundreds of the coming tomorrows. Pre-school educational services have shown a marked increase throughout recent years, and the trend was continued last year when 69 new kindergartens and play centres were opened, catering for over 2500 three-and-four-year-old children.

In Wairoa this increasing and continuing demand is being borne out and is

likely to intensify in the years which immediately lie ahead as the town and surrounding country areas further develop.

Residents are only too familiar with the large waiting list at the Brian Avenue Free Kindergarten which could be relieved with the opening of a kindergarten at North Clyde, and in addition to this a survey taken of the North Clyde area proves beyond any doubt that the district has a sufficient potential of young people to justify the erection of a kindergarten to serve the area as a separate entity.

What should be stressed is that every dollar given in the form of a donation this represents three to the Establishment Committee. Give one the Government gives two; give 500 the Government gives 1000.

At a meeting of the committee held last Monday night when fund raising efforts were discussed, it was approved committee members be empowered to accept donations on behalf of the "Wairoa Star" appeal. These will be acknowledged through the columns of the newspaper, as will all other donations, and the donors will be issued with an official receipt.

Outside this sphere the "Wairoa Star" office will be

the only official receiving depot and it is requested that where donations are being made by cheque they be made payable to the North Clyde Free Kindergarten Establishment Committee.

For the benefit of those who may find it more convenient to hand their donation to a committee member the following comprise the elected committee:—

President, Mr T. W. Cooper; secretary, Mr M. N. Ensor; treasurer, Mr E. Meyers; members, Messrs R. W. Martin, chairman, P. Bryant, W. Cotter, W. Edwards, J. Macdonald, T. Parker, G. Rangihui, J. Pitman, L. Tamati, H. Whakatope, S. White, Mesdames D. Aitken, P. Henare, L. Jane, L. Manuel, E. Mihaere, P. Robinson.

The appeal will be held open for a limited period only, the closing date will be announced at the appropriate time, and the "Wairoa Star" not only commends the objects of the appeal to you but asks that early and sympathetic support be accorded it.

To add substance to their sentiments the Directors of the Wairoa Star Ltd. have opened the appeal with a donation of \$25, and we ask you to now come forward with your support for a project from which the whole community will eventually benefit.

The first list of donations will be published in Wednesday's issue of the "Wairoa Star".

NORTH CLYDE FREE KINDERGARTEN ESTABLISHMENT  
COMMITTEE

24 September 1974

To build, equip and establish a Kindergarten needs dedication, effort and co-operation. It needs the dedication of a small band of people who are prepared to give a considerable amount of their time, the effort of those same people and a wider group of people to assist with the fund raising and the co-operation of ALL the people in the town and district to patronise (both as donors and purchasers) the various activities.

Working on the latest available figures the Committee's task is as follows:

|   | <u>Our Share</u>          | <u>Govt's Share</u>        | <u>Total</u>               |
|---|---------------------------|----------------------------|----------------------------|
| <u>Building:</u>                          | \$6000 - \$7000           | \$12,000 - 14,000          | \$18,000 - \$21,000        |
| <u>Equipment:</u><br>(Incl.<br>furniture) | \$2,000 - \$4000          | \$ 6,000 - 8,000           | \$ 8,000 - 12,000          |
| <u>Total</u>                              | <u>\$8,000 - \$11,000</u> | <u>\$18,000 - \$22,000</u> | <u>\$26,000 - \$33,000</u> |

Two things are readily seen from the above:

1. We have quite a task ahead of us.
2. EVERY DOLLAR WE RAISE IS ACTUALLY WORTH THREE DOLLARS.

To give you an opportunity to play your part we would like to bring to your attention the following activities to be held in the near future:

HOUSIE: Organised by Mesdames Manuel and Mihaere.

Eight nights commencing 5 October at 7.30 p.m. in the North Clyde School Hall.

PARENTS' NEWSLETTER

After  $2\frac{1}{2}$  months of operation the Kindergarten has a total roll of 71 and a waiting list of 16.

We are now in a position to be able to calculate a financial budget. Our expenses for Caretaking and Cleaning, Electricity, Phones, Materials, Equipment repairs, Council levies and Insurances and petty cash and sundries amount to \$130 a month. Our present income from parent donations amounts to \$91.00. This leaves a balance of \$39.00 a month which the Committee needs to find from fundraising while at the same time needing to build up the level of equipment which is urgently required.

At this time in the life of the Kindergarten the Committee needs all the financial support possible to ensure the Kindy's success. Anything additional parents are able to contribute either in the way of the weekly donation or by way of donation towards a particular item of equipment would be greatly appreciated.

The estimated cost per child is: morning - 70 cents  
afternoon - 50 cents.

## Kindergarten Direct Appeal Closes With Total Of \$2120

The "Wairoa Star" direct appeal for the North Clyde Free Kindergarten Committee's Appeal which closed on Monday has, following donations received since the time of going to press on Monday raised a total of \$2120 towards the appeal and the opportunity is taken of expressing sincere thanks to all who supported this section of the appeal.

The following comprises the committee that the "Wairoa Star" office will be retained after Monday's list was published:-

Previously acknowledged \$1699.19.

Maori Incorporations \$400; Dalgety Staff \$1; Hawke's Bay Farmers' "Piggy Bank" \$2.81. N.Z. Nurses' Association, Wairoa Branch \$10; Mrs Mardon \$2; Mr F. Mardon \$5. Total \$2120.

To date the committee has been successful in raising a further \$1136 from other activities which includes \$66 raised by the North Clyde Parent Teacher Association at the gala stall held in conjunction with the Wairoa Lions Club "Walk-O-Thon".

With the \$500 donation from the Brian Avenue Free Kindergarten Committee total funds held by the Establishment Committee are \$3756 which is \$244 short of the \$4000 required to be raised by the end of this month to ensure the priority for the Kindergarten.

The committee is confident that this amount will be reached in the time left and it has been arranged with the

## Travellers Help 'Kindy'

The Commercial Travellers' Association descended upon Wairoa on Wednesday night for the purpose of holding their annual Christmas get-together associated with which was a "Sheriff Session" when demeritours of the past year are duly paid for in hard cash.

This body of men is well renowned for their charitable acts, not only in Hawke's Bay but also in many other parts of New Zealand, and the "fines" on Wednesday night totalled \$11.75.

The inevitable question was asked, "what'll we do with it" and the answer came "give it to the North Clyde Free Kindergarten".

This amount was duly paid in to the "Wairoa Star" office yesterday and we would say "thanks, fellows, for your help".
