July 2005

Celebrating 100 years of Kindergarten in Wellington

We thought we would celebrate this event by inviting Ms Redrobe and the new entrant children to Kindergarten.

We baked a chocolate cake, blew out the candle and counted to 100.

We all went on a treasure hunt and once we found the treasure we had to place it on "pirate plate" before receiving a treat.

It is great when we catch up with our friends from Discovery School.

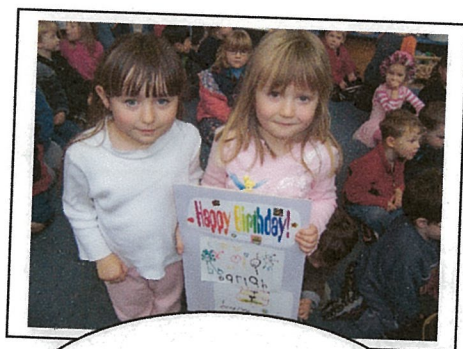

Happy Birthday to Kindergarten.
We all counted to 100.
It took a long time

Tamara holds the treasure plate.

We thank all the children who visited us at Kindergarten. We had fun and enjoyed finding the treasure with you. My favourite time was eating the chocolate cake - yummy, and finding the treasure. "X" marks the spot.

Sariah and Sarah presented us with the wonderful Birthday card!

What do we look for?

Grayson shows us his "x" that helps us find the treasure.

At the end of the day we planted a Cabbage Tree to celebrate the day.

Thanks Sarah for your help.
